

## Pictographs

1. Jenifer asked 15 children which toys they like. She made a picture graph to show the data. Six children chose the yo-yo. Five children chose the doll. The rest chose the ball. Complete the graph. Draw a 😊 for each child.

Favorite Toys	
yo-yo	
doll	
ball	

**Key:** Each 😊 stands for 1 child.

2. Mrs. Green asked 17 children about their favorite month. She made a picture graph to show the data. Nine children chose July. Three children chose May. The rest chose December. Complete the graph. Draw a 😊 for each child.

Favorite Months	
May	
July	
December	

**Key:** Each a 😊 stands for 1 child.
