

## Tally Chart

**Mrs. Brown asked 20 children what pet they liked best: dogs, cats, or birds. Most of the children chose dogs. The fewest number of children chose birds. Make a tally chart to show the data.**

Pets We Like		Total
dog		
cat		
bird		

How many children chose dogs? \_\_\_\_\_ children

How many children chose cats? \_\_\_\_\_ children

How many children chose birds? \_\_\_\_\_ children

How many more children chose dogs than birds? \_\_\_\_\_ children

How many more children chose cats than birds? \_\_\_\_\_ children

How many more children chose dogs than cats? \_\_\_\_\_ children

How many children in all chose dogs and birds? \_\_\_\_\_ children

How many children in all chose cats and dogs? \_\_\_\_\_ children
