

## Siblings

**Read about Anna and Alex and then complete the Venn diagram comparing and contrasting them both.**

Anna and Alex are siblings; they are alike and different in many ways. Anna and Alex are in the same class so they have the same teacher, Mrs. Gold. Anna's favorite color is yellow while Alex's favorite color is red. Anna's favorite pet is a fish, while Alex's favorite pet is a dog but they own a cat. They love to eat ice cream. Anna's favorite ice cream flavor is vanilla ice cream. Alex's favorite ice cream flavor is vanilla ice cream. Anna's favorite day of the week is Friday because of the weekend and Alex's favorite day is Wednesday because that's when he has karate practice.
